I understand that this is a community supported venture rather than a buyers' club, and that, although the grower is committed to the best of his ability to provide high quality organic produce, there are risks in agriculture which need to be shared by the whole community and may be reflected in the yields of certain crops. By submitting this application, I understand that my membership payment entitles me to a weekly share of produce harvested for Honey Brook Organic Farm CSA during the 2012 growing season. I understand that it is my responsibility to become familiar with the rules of the CSA program (as found in the Members' Handbook) and my membership may be revoked without refund for failure to abide by these rules. All membership cards are property of Honey Brook Organic Farm CSA and must be returned if membership is revoked.
