## Greenhouse Help On Organic Regenerative Farm

Sure, you could make more money pumping out fussy caffeinated beverages at Starbucks or serving AMAZON, the almighty, in one of their "fulfillment" centers (not YOUR "fulfillment", of course). Or....., you could spend your productive day working with living plants and sunshine in our greenhouses and in our fields actually being a part of creating something real. FT or PT, we can accommodate. Work will involve seeding, thinning and watering crops in our greenhouses. 100% certified organic because we are committed. Job Type: Part/Full-time

Accrued sick time pay and one "Individual" share of produce included as part of compensation package. Shared housing may available. Email resume to: [sherry@honeybrookorganicfarm.com](mailto:sherry@honeybrookorganicfarm.com) or mail to Honey Brook Organic Farm, PO Box 1096, Pennington, NJ 08534. Pursuant to state law, this position is not eligible for overtime pay.
